Our tippie suggestions

THE PHAT BEEF

Any of our premium draught lagers, a lighter Birra Moretti or classic Kronenbourg.

THE LAMB

IPA, Timmy Taylors or why not take a punt on our guest ale?

THE WHOLE HOG

For us, as with any pork it has to be a refreshing cider. Thatchers or if you fancy something a bit different go for the Cloudy Strongbow.

THE MEXICAN CHICK

Only one winner here, Corona with a wedge of lime. Squint your eyes; you could be on the beach...

THE VEGGIE

With a bit of spice to this we'd suggest perhaps a Corona also, maybe a fruity cider? Or if you're trying to be good or driving, there's always the Becks Blue.

THE MOUNTAIN

One of each of the above, it might just take you that long to get through it!
