LITTLE BRINGTON

Weddings at The Saracen's Head.

The Saracen's Head

The Saracen's Head is a beautiful pub & restaurant, with character and charm nestled in the Northamptonshire village of Little Brington. Next door to Great Brington, the home of Althorp, home of the late Diana, Princess of Wales.

The 17th Century building of mellow ironstone has been a pub for over 200 years and has an array of rustic features. From the Library area, featuring books that date back to the late 1800's. To the traditional British red phone box in the entrance to the bar area.

Ceremonies & receptions

The Saracen's Head holds a licence for civil marriages, our function room lends itself as a perfect venue for civil weddings and partnerships. To hold a ceremony at The Saracen's Head, we require you to pre-book a Registrar at the appropriate Registry Office. We suggest checking the Registrar's availability before confirming your booking. You will need to tell them where and when you would like the ceremony to take place.

***If you wish to hold your civil ceremony at The Saracen's Head,
a ceremony fee of £350 will be charged.***

We can facilitate your ceremony through to your evening reception, tailoring your package to meet your exact requirements. Giving you the flexibility to either hold part or all of your big day with us.

The perk of hosting your entire day with us means you can relax and enjoy the build up to your big day with minimal points of contact to liaise with.

Bespoke Weddings

Your wedding is unquestionably one of the most memorable days of your life. It's a day you will never forget, so let us make it a reflection of your individual style. Working with our Events Co-ordinator and an experienced enthusiastic team, we will create your perfect day so you can have it your way, not ours. Our function room inspires a blank canvas for your wedding, enabling you to really make the day your own.

We can accommodate:

A maximum of 75 guests for a ceremony.

A maximum of 60 guests for your wedding reception.

(We can accommodate larger weddings, however this will incur an additional cost for a marquee, which we will need to quote separately).

If you are looking for a more casual, non sit down event. The function room can hold up to 80 guests for a reception, however there would not be seating available for everyone.

For smaller, more intimate reception areas, you also have a choice of two dining areas. Our rustic and beautifully decorated restaurant, can seat up to 30 guests. Our library area can seat up to 24 guests, the choice is yours. Please note, if you decide to use either of these areas for a smaller reception, the venue hire fee is quoted on an individual basis.

Finishing Touches

Our countryside venue is perfect for rustic, vintage style weddings and lends itself to various layout and decorative options. Our Events Coordinator and an experienced team, are on hand to discuss your ideas, to do what we can to ensure that your day is exactly as you dreamed.

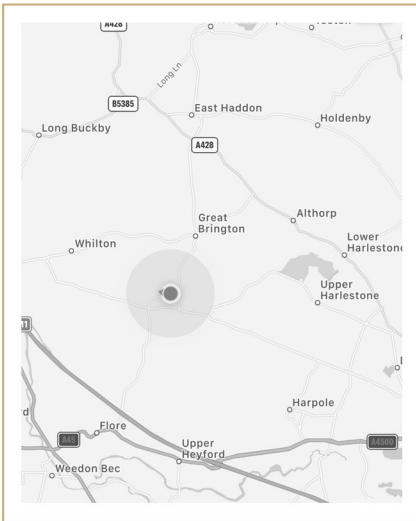

We will work alongside suppliers who can add those extra touches to make your day even more perfect such as chair covers, love lights, sweet stands and much more.
